Keynote Speaker - Christine Mau

Lt Col. Christine Mau was the first woman to fly the Department of Defense's newest fighter, the F-35, in 2015. She also led the first combat mission planned, briefed, launched, and flown entirely by women in 2011 while flying the F-15E. She served for 20 years in the USAF culminating as Deputy Commander, 33rd Operations Group, Eglin Air Force Base, Florida. She is passionate about aviation and continues to fly her Vans RV-6 and anything else she can get her hands on.

Originally from Thousand Oaks, California, Christine entered the Air Force in May 1997 after graduating from the USAF Academy with a degree in Biology. During her career, she also stood up the first and only Air Defense Aggressor Squadron and served as an Instructor Aggressor at Nellis AFB while she started her family. After two children and two Master's degrees, she served as the 366th Fighter Wing Director of Staff and Director of Operations for the Royal Singaporean Air Force 428th Fighter Squadron at Mountain Home Air Force Base.

She currently works as a Senior Flight Instructor on the F-35 for Lockheed Martin at Eglin AFB, teaching simulator and academics to F-35A and F-35C pilots.
