

International Bylaws / Standing Rules Committee Report
2026 Annual Meeting

Report period: July 2025 – July 2026

The committee's schedule of activities is driven by the date of the next annual meeting, at which amendments to bylaws and standing rules are voted on by the membership, and to a lesser extent, by the dates of the Spring and Fall International Board of Directors (IBOD) meetings, at which that board concurs or does not concur with specific amendments.

The committee responded to several requests for clarification or interpretation of existing bylaws and standing rules. These issues are occasionally the source for future proposed amendments.

The IBL/SRC is currently beginning the amendment cycle for the 2027 annual meeting, looking at issues which have surfaced since the 2026 cycle, and some that were previously identified but which have not yet been subject to amendment. Chapters, sections, Council of Governors, IBOD, and the IBL/SRC are allowed to submit proposed amendments to the bylaws or standing rules, and the deadline for doing so is December 31, 2026. As a reminder, please review the procedure for submitting amendments to the Bylaws and Standing rules.

SR V – FISCAL AND DUES

B. STUDENT PILOT MEMBERS	US	CANADIAN CARIBBEAN	ALL OTHERS
First 2 years:			
Membership Dues	<u>\$40.00</u> \$30.00	<u>\$40.00</u> \$30.00	<u>\$40.00</u> \$30.00
Section Dues	5.00	5.00	0.00
Total	<u>\$45.00</u> \$35.00	<u>\$45.00</u> \$35.00	<u>\$40.00</u> \$30.00
Renewals after 2 years:			
Membership Dues	\$70.00	\$62.00	\$54.00
Section Dues	5.00	5.00	0.00
Total	\$75.00	\$67.00	\$54.00

Proviso: This dues change will take effect August 1, 2026.

Proposed by: International Board of Directors

Rationale: The Ninety-Nines' Student Pilot membership dues have remained unchanged for many years. The current annual rate of \$35 has been in place since March 2009.

At the 2025 Annual Meeting, members approved a \$10 dues increase for new and renewing members, bringing that annual rate to \$75. This change recognized both the organization's rising operating costs and the continuing value of Ninety-Nines membership.

The International Board of Directors is now asking members to approve a comparable \$10 increase for Student Pilot Members, bringing their annual dues to \$45. This adjustment provides a more equitable sharing of the dues increase across membership categories while still maintaining a significantly reduced rate for student pilots.

Student Pilot Members are eligible for this reduced rate for their first two years of membership. Even at \$45 per year, the cost is only \$3.75 per month, remaining well below the standard member rate.

Like many organizations, The Ninety-Nines continues to face increasing costs for technology, member services, events, materials, and administrative operations. This modest increase will help support the programs, services, and organizational infrastructure that benefit all members, while preserving the value and accessibility of Student Pilot membership.

Dues adjustments are never made lightly. This proposed increase is a measured and necessary step to help ensure The Ninety-Nines remains financially strong, relevant, and able to serve current and future members for years to come.

Financial Impact: Using current membership data as of 04/26/2026

FY 2027 impact = \$11,400 (For FY 2027 and with an **effective date of August 1, 2026** for the \$10 increase (ten months August - May))

FY 2028 impact = \$13,680

Legal Impact: No legal impact
